

NURSE JOB DESCRIPTION

(Updated 4/2023)

The Ramah Day Camp Nurse is responsible for mental & physical health of campers and staff.

The Nurse's duties include, but are not limited to:

- Reviewing all camp and staff medical forms prior to camp
- Handling all medications
- Triage
- Sick campers
 - Parent communication regarding sick campers
- Select parent conversations prior to camp, for example, if a child has a severe allergy or medical condition.
- Allergy management and oversight (if there are any issues with snacks, coordination of Epipens that go back and forth every day, etc.)
- Advising/assisting on procedures for COVID & other illnesses
- Making sure medication and infirmary supplies are stocked adequately

In general, the Nurse should see themselves as part of the camp leadership and decision-making team.

Reports to the Assistant Director.

The Nurse position pays \$1000/week. Like all other staff positions, a tuition discount is offered if the Nurse has a child(ren) enrolled at camp.
